***Professional Standards Self-Assessment
and Growth Goals***
3-week and 6-week practica

Teacher Candidate:

Please complete all sections and review with your field advisor near the end of your practicum.

In the *Professional Standards for BC Educators* table, for each standard:

- indicate your strengths (with evidence) in the middle column, and
- challenges (to continue working on) in the right column.

In the Growth Goals table:

- develop three **specific** and **actionable** growth goals using the challenges you identified and feedback from your summary report
- for each goal, identify two or three strategies to work on prior to your next practicum.

Field Advisor:

Please review this document with the teacher candidate, add your name in the signature line, then submit to the Teacher Education Office. Ensure the teacher candidate has a copy.

Professional Standards for BC Educators	Strengths (with evidence)	Challenges
1. Educators value and care for all students and act in their best interests.		
2. Educators are role models who act ethically and honestly.		
3. Educators understand and apply knowledge of student growth and development.		
4. Educators value the involvement and support of parents, guardians, families and communities in schools.		
5. Educators implement effective practices in areas of planning, instruction, assessment, evaluation and reporting.		
6. Educators have a broad knowledge base and understand the subject areas they teach.		
7. Educators engage in professional learning.		
8. Educators contribute to the profession.		
9. Educators respect and value the history of First Nations, Inuit and Métis in Canada and the impact of the past on the present and the future. Educators contribute towards truth and reconciliation and healing. Educators foster a deeper understanding of ways of knowing and being, histories, and cultures of First Nations, Inuit and Métis.		

Growth Goals	Strategies (to work on prior to next practicum experience)
